

CHIEF OF PARTY

Organization or Company Name: [PATH \(Program for Appropriate Technology in Health\)](#)

NOTE: This position is contingent upon donor funding.

PATH is an international organization that drives transformative innovation to save lives and improve health, especially among women and children. We accelerate innovation across five platforms—vaccines, drugs, diagnostics, devices, and system and service innovations—that harness our entrepreneurial insight, scientific and public health expertise, and passion for health equity. By mobilizing partners around the world, we take innovation to scale, working alongside countries primarily in Africa and Asia to tackle their greatest health needs. Together, we deliver measurable results that disrupt the cycle of poor health.

PATH seeks a Chief of Party for a five-year, USAID funded, TB project aimed at improving TB case notification and treatment outcomes while addressing the underlying health system barriers that are critical to improving service delivery to contribute to ending the TB epidemic in Uganda.

Responsibilities:

- Primary responsibility for liaising with USAID and other stakeholders in Uganda.
- Oversee program implementation.
- Provide the technical vision and approach and managing the project team and consortium members.
- Will ensure the project complies with award terms and conditions, USAID policies and regulations, and systems are in place to mitigate risk of fraud, waste and abuse.

Required Skills and Experience:

- Master's degree or higher in public health, social sciences or a related field with 10 years of experience OR Bachelor's degree with 15 years of experience working progressively increasing responsibility in managing successful international development assistance and health programs of similar scope and size.
- Demonstrated leadership skills in working collaboratively with other donors, host country institutions and international organizations.
- Demonstrated capacity in managing for result.
- Excellent negotiation skills with demonstrated capacity for negotiating with senior government officials or executives.
- Excellent past performance references.
- Experience in the Sub-Saharan African context is a plus.
- Working knowledge of and/or experience with USG-funded program management, policies, regulations and procedures is desirable.

Must have legal authorization to work in Uganda.

PATH is dedicated to building an inclusive workforce where diversity is valued.

PATH is an equal opportunity employer. Every qualified applicant will be considered for employment. PATH does not discriminate based on race, color, religion, gender, gender identity or orientation, genetic information, age, national origin, marital status, disability status, political ideology, military or protected veteran status, or any other characteristic protected by applicable federal, state, or local law.
